1. The following program was outlined verbally before the leaders of the Krakow section of the PPR "Aktyw", an important clandestine part of the Polish Workers Party:
 - a. Reduction of the number of emigrants from Poland and return to Poland of expatriates.
 - b. Improvement of relations with the western countries;
 - c. Facilitation of the work of stations and agents of the PPR abroad;
 - d. Safe keeping of material, in order to prevent it from falling into the hands of Fascist propagandists.
2. The following steps are to be taken:
 - a. Overtures should be made to adversaries and, if necessary, compromises should be arrived at in order to achieve reconciliation. However, it should not be forgotten at the same time that NSZ, AD, and PSL fascists as well as their sympathizers are the great and lasting enemies of the PPR.
 - b. All politically interested persons should be encouraged to reveal their real political convictions in order that their activities may be supported at the right time.
 - c. Repatriates should be given assistance; however, they should be closely watched. Particularly Fascists and former members of NSZ and AD should be identified and their addresses, connections, and activities should be reported to "Aktyw".
 - d. Other points dealt with referred to local activities, as for example, support of TUL (Towarzystwo Uniwersyteckich i Ludowych - Associations of Schools for Adult Education, Związek Młodych "Wici" (Youth Organisation).
